CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW AND PROSPECTS

The Group is principally engaged in the provision of one-stop visual, lighting and audio solution services in Hong Kong, the PRC and Macau. The Group derived its revenue from provision of the aforesaid services to exhibitions, ceremonies, conferences, TV shows, product launches, concerts and other types of events.

Since early 2020, the outbreak of novel coronavirus disease (COVID-19) (the “**Pandemic**”) has adversely affected the overall economies in Hong Kong, the PRC and Macau. During the Reporting Period, the Group was engaged in 89 events compared with 117 events for corresponding period in 2020. The Group derived approximately 27.4% and 20.8% of its total revenue (three months period ended 31 March 2020: 63.5% and 5.6%) from exhibitions and conferences respectively during the three months ended 31 March 2021, the majority of which took place in Hong Kong and the PRC.

Although the impact of the Pandemic has adversely affected the financial performance of the Group in the first quarter of 2021, with the easing of the epidemic, the general public’s activities gradually returned to normal. We expect that the financial performance afterwards will be maintained to the level before the Pandemic. The Group is well confident to further improve its profitability and bring value to its stakeholders in the long run.

Looking forward, we will continue to take all the necessary measures to minimise the impact of the Pandemic on the Group and to actively explore business opportunities as the economies in Hong Kong, the PRC and Macau are expected to gradually recover.

FINANCIAL REVIEW

Revenue

The Group generates revenue from the provision of one-stop visual, lighting and audio solutions to its customers in various events, including exhibitions, ceremonies, conferences, TV shows, product launches, concerts and other types of events.

The Group’s revenue slightly increased from approximately HK\$12.6 million for the three months ended 31 March 2020 to approximately HK\$13.1 million for the Reporting Period, representing a slightly increase of approximately 4.0%.

Revenue analysis by geographical location

The following table sets forth the breakdown of the Group's revenue by geographical location during the Reporting Period with comparative figures for the three months ended 31 March 2020:

	Three months ended 31 March			
	2021		2020	
	HK\$'000 (Unaudited)	%	HK\$'000 (Unaudited)	%
Hong Kong	7,882	60.1	8,967	71.4
The PRC	5,233	39.9	3,132	24.9
Macau	–	0.0	460	3.7
Total	13,115	100.0	12,559	100.0

The slight increase in revenue was mainly due to increase in revenue in the PRC with relative more volume of visual, lighting and audio solution services required by our customers during the Reporting Period compared to the corresponding period in 2020.

Cost of services

Cost of services mainly comprised of equipment rental cost, depreciation of property, plant and equipment, employee benefit expenses paid to front line on-site technical staff, material cost of consumables and freight expenses of equipment delivery. The Group's cost of services increased by approximately 21.1% from approximately HK\$15.2 million for the three months ended 31 March 2020 to approximately HK\$18.4 million for the Reporting Period, which was mainly attributable to the increase in employee benefit expenses paid to front line on-site technical staff of approximately HK\$2.7 million.

Despite our Group recorded a slightly increase in revenue, the increase in gross loss margin was mainly attributable to the increase in cost of services which was analysed above.

Selling expenses

Selling expenses mainly comprised staff costs of our Group's sales and marketing department, advertising expenses and travel expenses. The Group's selling expenses decreased by approximately 28.6% from approximately HK\$0.7 million for the three months ended 31 March 2020 to approximately HK\$0.5 million for the Reporting Period, which was due to the decrease in staff costs of sales and marketing department by approximately HK\$0.1 million.

Administrative expenses

The Group's administrative expenses decreased by approximately 7.3% from approximately HK\$6.8 million for the three months ended 31 March 2020 to approximately HK\$6.3 million for the Reporting Period, which was mainly due to the decrease in administrative staff costs by approximately HK\$0.6 million.

Finance expenses, net

Net finance expenses of the Group mainly comprised interest on bank borrowings, interest expenses on finance lease liabilities and bank interest income.

The Group's net finance expenses decreased by approximately 23.1% from approximately HK\$1.17 million for the three months ended 31 March 2020 to approximately HK\$0.9 million for the Reporting Period, which was mainly due to the decrease in interest on borrowings.

Income tax (credit)/expenses

The Group is subject to income tax on an enterprise basis, based on profits arising in or derived from the jurisdictions in which members of the Group are domiciled and operate in.

Pursuant to the enactment of two-tiered profits tax rates issued by the Inland Revenue Department of Hong Kong from the year of assessment 2018/19 onwards, the qualifying group entity's first HK\$2 million of assessable profits under Hong Kong profits tax for the three months ended 31 March 2021 and 2020 is subject to a tax rate of 8.25%, while the remaining assessable profits are subject to a tax rate of 16.5%.

PRC Enterprise Income Tax has been provided at the rate of 25% on the estimated assessable profits for the three months ended 31 March 2021 and 2020.
